Bargirl Evaluation Form – 2003 Centennial Edition**

<b>Candidate:</b>	<b>Bar/Go-Go:</b>	<b>Score:</b>
<b>Evaluator:</b>	<b>Date:</b>	<b>Cost:</b>

**How to use this form:** A scale of 1-5 appears next to each item. The scale corresponds to a performance ranging from 1(poor) to 5(excellent). During the evenings entertainment record the score in the box provided. To determine the final score, add the subtotals and circle the corresponding final score. Passing performance is 3.5 or higher. Careful with areas marked [\*] or [\*\*].  
 [\*] Denotes a PACI®‘1’ Grade. One of these areas thus marked denotes a ‘1’ score overall. Eject/leave the bitch now.  
 [\*\*] Denotes a PACI®‘2’ Grade. 3 boxes thus marked denotes a ‘2’ score overall, is unsatisfactory and deserves a slap.  
 Notes: If a girl scores a [\*] at any time, politely complain to ‘The Momasan’ (CTMS) and DO NOT PAY to proceed to section 2.

**Payment/ Recommendations-12 hour hire (June 2003):** -

<u>Score</u>	<u>Bar-Girl/Freelancer</u>	<u>'Go-Go' Girl (12 hours hire)</u>
<b>1.0 -2.4</b>	<b>Bar fine=B200-B400</b> <b>B100</b> Food & Taxi only +CTMS	<b>Bar Fine B500 "Average Dancer" to B1000 for a "Super-Star Show Girl"</b> <b>B500</b> CTMS; & fuck her best friend under the influence of Viagra at least twice.
<b>2.5 - 3.5</b>	<b>B500</b> OK for Bargirl	<b>B500</b> Say 'I only wanted short-time'. Make her unwelcome immediately
<b>3.6 - 4.0</b>	<b>B700</b> Better. Take again maybe	<b>B1000</b> OK for a Go-Go girl (Note: higher standard than for a mere bar girl)
<b>4.1 - 5.0</b>	<b>B1000</b> Hmm! -Look at a 1 week deal	<b>B1500-2000</b> Expected. Complement. Investigate multi-day discount with 'Mama San' !

**Note:** CTMS = 'Complain To the Mamasan'. Gentleman, if you're landed with a lazy bitch, 'The Mamasan' could be your best friend in sorting out your hassle. Politely complain like this...Talk softly, complement her on how well the place is run, it's just your girl whose lazy/causing the hassle. Buy the Mamasan a nice expensive drink, offer her your best smile, and take your time explaining the problem and waiting for a solution. DO NOT threaten to walk out/Shout/call the police (they won't help you, you plonka!). Expect for your patience... Free drinks/Another girl Free/A full or partial refund for a really troublesome girl. Oh yes, interestingly, if you're given another girl, the Mamasan makes the first lazy bitch pay her.

**Statistical Notes : PACI® Official Statistics from more than thousand Thai girls indicate the following interesting trends...**

1. Highly attractive young Bargirls are often very lazy, have poor attitude scores, are soulless fucks and have poor overall scores.
2. Good scores in 'relationship development' and 'pre-coital' generally result in a pleasant experience and good overall scores.
3. A large number of high scoring rgirls score only a '2' or '3' in physical appearance, and are often quite old (i.e.; over 25 Yrs)
4. High scoring old Bargirls always score lower on the second hiring, but Low scoring old Bargirls are consistently shite.
5. Koh Samui easily has the oldest and ugliest bar girls in the whole of Thailand. Closely followed by Jomtien & South Pattaya Arabland
6. Poor scores due to shyness in new girls can show dramatic improvements on a subsequent hiring up to a week or two later.
7. Attractive high scoring experienced young Bargirls have Gonorrhoea/NSU/other VD, a Thai husband plus many Farang boyfriends.
8. New girls 'straight out the fields' have good attitude scores, bad English scores, are irritatingly shy at first, then totally twat-mungus
9. Old Girls 'Well past there prime' have good attitude scores, good English/German/etc scores, and are often quite grateful to be laid.
10. Mean score for Thai Bargirls is a PACI®3.0. Standard deviation is PACI®0.5. Less than 5% of bar girls score greater than a PACI®4.0
11. Evaluators giving A PACI® total score of '5' normally follow through with a marriage proposal.
